### Which licence applications require evidence of Advanced RSA training?

Applicants for a new late night (general) licence or late night (on-premises) licence that authorises the supply of liquor after 1am for on-premises consumption must complete the Advanced RSA training program.

This requirement does not apply in relation to late night (on-premises) licences with restaurant and café conditions.

### When must Advanced RSA training be completed?

For new applicants, the Advanced RSA training program must be completed within six months of the licence being granted. This is in addition to RSA training and new entrant training which must be completed prior to the licence being granted.

For licensees that receive a demerit point, the Advanced RSA training program must be completed within six months of the demerit point being recorded in the demerits register.

### Who must complete the training program?

The Advanced RSA training program must be completed by the holder of the licence and by the responsible person for the premises.

- 1. The holder of the licence means, in relation to a licence held by:
  - · a natural person, that person
  - a partnership, one partner
  - a body corporate incorporated under the Corporations Act 2001, one director, and
  - an association incorporated under the Associations *Incorporation Reform Act 2012*, one committee member.
- 2. Responsible person is defined by section 3 of the Liquor Control Reform Act 1998 as the person responsible for the management or control of licensed premises.

Where the holder of the licence is effectively the responsible person, only the holder of the licence is required to complete the training program.

Evidence of an approved new entrant and approved RSA training course must be provided to the VGCCC prior to a liquor licence being granted, transferred or endorsed. You will be required to provide this evidence with submission of your application.
